NORTHERN DISTRICT OF CALIFORNIA

IN RE TOY ASBESTOS LITIGATION

Case No. [19-cv-00325-HSG](#)

**ORDER GRANTING STIPULATION  
TO EXTEND FACT DISCOVERY**

Re: Dkt. No. 304

Pending before the Court is a stipulation filed by Plaintiffs and Defendant Honeywell International Inc., seeking to extend the fact discovery deadline from December 13, 2019, to February 10, 2020, for the deposition of Honeywell's corporate representative. *See* Dkt. No. 304. The parties seek more time to complete settlement negotiations and identify the time and scope of the deposition of the Honeywell representative. *Id.* Accordingly, the Court **GRANTS** the stipulation and **SETS** February 10, 2020, as the deadline for Plaintiffs and Honeywell to complete fact discovery directed to each other. The Court cautions that even if the parties are unable to reach agreement, all other case deadlines will remain in effect.

**IT IS SO ORDERED.**
